Re: BAF Surcharge

Dear Sir, Madam,

It is with regret that we have to re-introduce a Fuel surcharge (BAF) on our Dover-Calais route as from 1st July 09 and apply an upwards adjustment to the surcharges currently charged on our North Sea, Thames and Western Channel services.

Indeed steady increases in the cost of fuel over the last few months combined with a stagnating economy have left us with little or no flexibility to absorb additional costs.

Nevertheless for July 09 we have done our utmost to contain the impact on our customer's business and the BAF supplements shown below are still considerably lower than those published on our official schedule.

Dover - Calais	£ 1.00	or	€ 1,16
Tilbury - Zeebrugge	£ 2.00	or	€ 2,32
North Sea (Teesport & Hull)	£ 7.25	or	€ 8,41
Portsmouth-Bilbao	£ 25.00	or	€ 29,00

We trust you will understand the necessity for this adjustment and we thank you for your continued support.

Yours faithfully,

**R. Daelman
